Diary No. 2416	Enclos. —	Spare Copies. —	Serial No. 1.

BRIEF ABSTRACT OF LETTER.

States that H.H. the Maharaja considers that a permanent staff allowance of Rs 200/- per mensem may be fixed in the case of Mr P. Raghavendra Rao, Asst Pte Secy, in lieu of all the travelling allowances, it being provided that he shall submit no bills on that account except in the rare cases when he is deputed on duty, otherwise than in attendance on H.H., to places in the India the Madras or Bombay command.

NOTES AND ORDERS.

It is mentioned that the permanent staff allowance of Rs 200 per month will be drawn by Mr Raghavendra Rao, in lieu of all the travelling allowances, mileage, daily allowance etc, it being provided that he shall submit no bills on that

account, except in the rare case when he is deputed on duty, otherwise than in attendance on His Highness, to places in Southern India than Madras or Ootacamund. For these journeys it may perhaps be inferred that he can draw ordinary rates of T.A.

As regards the provision in the Budget, as mentioned in the D.O., it may be pointed out that Rs 3500 a provision of Rs 3500 has been made in the Budget. Of the amount of Staff allowance proposed viz Rs 2400/- is deducted from this amount, only Rs 1100/- will be available to meet the Private Secretary's bills. But considering the fact that there will be some savings under the head of the D.A. of the Tutor & the Upanaja, it may be presumed that there is sufficient provision in the budget for the grant of the allowance now proposed.

Draft submitted for orders as ordered by the Secretary in the D.O. letter.

Forwarding a reference to the staff allowance is pertinent. (G.O. Ms. 69-06 Sl 20, 21 dated 16/1/08.)

No 'Staff allowance' is contemplated by the Mysore Service Regulations. If it, as is understood, ~~is to~~ The allowance proposed to be given to Mr. Raghavendra Rao is a permanent monthly handling allowance, no explanation to granting such an allowance seems necessary in the Govt. order which may be very much simplified.

In the rare cases in which Mr. Raghavendra Rao will be entitled to T/A under the ordinary rules it is not clear if the allowance of Rs 200 is to be drawn in addition or else ~~to~~ deducted proportionately out of the T/A claimed.

The Staff allowance will I suppose ~~come~~ be treated as a local allowance under the ~~Mys~~ Mys. Regulations. The T.A. in the rare cases specified will be in addn to this allowance.

is not of the nature of a local allowance, but a consolidated monthly travelling allowance in lieu of the ordinary allowance admissible under the M.S. Regn. 'Staff allowance' would imply a local allowance & permanent monthly travelling allee of Rs 200 is by no means too high for the Assistant Private Secretary to H.H. the Maharaja and it may be sanctioned with effect from 1st April 07

Dear Mr. Madhava Rao

His Highness has had under his consideration the question of the travelling allowances and batta admissible under the Mysore Service Regulations to Mr. P. Raghavendra Rao, Asst Pte Secretary. The experience of the past 5 years has indicated that, however suitable they may be to the circumstances of Government officers in general, they do not adapt themselves to the conditions under which officers serving on his personal staff have to travel. Much difficulty is found in preparing the bills & furnishing the certificates required. The regulations take no account of the special disabilities, domestic and otherwise, under which officers on the personal staff labour. Under all the circumstances His Highness considers that it is desirable to give the Assistant Pte Secretary a permanent staff allowance in lieu of Travelling allowance, mileage, daily allowance &c, it being provided that he shall

submit no bills on that account, except in the rare cases when he is deputed on duty , otherwise than in attendance on His Highness, to places in British India, other than Madras or Ootacamund. On a consideration of the amounts actually drawn as T.A. by the Asst Pte Secretary during the past few years, and in view of the fact that he receives no free carriage or carriage allowance, His Highness considers that the staff allowance may be fixed at Rs200 per mensem. No T.A. bills have been submitted by the Asst Pte Secretary during the current financial year and His Highness considers that the arrangement may be held to date from the 1st July 1907. It is believed that the budget allotment for Travelling allowances of this establishment will suffice to meet the charges for the current year.

The considerations that apply to the case of the Asst Pte Secretary hold good with respect to the rest of the Office establishment and a further communication with reference to them will be addressed to you.

Yrs Sincerely
E Macconochie
